This collection comprises some 50 books and journal articles published by the German psychoanalyst Georg Groddeck (1866-1934). The collection also includes 30 letters from Georg Groddeck to Oscar Köllerström (a pupil of Groddeck), Mary Collins (a translator of Groddeck's works), and Groddeck's sister. In addition, the collection includes an almost complete run of *Die Arche* (1925-1927), translations (in typescript) of 'Conference psychoanalytiques à l'usage des malades and *Der Seelensucher: ein psychoanalytischer Roman*', and 27 photographs and sketches of George Groddeck.
