

## PUBLICACIONES. LIBROS SOBRE SANDOR FERENCZI EN INGLÉS.

### Disappearing and Reviving: Sandor Ferenczi in the History of Psychoanalysis.

de Andre Haynal. Karnac Books Eds. 2002.  
Londres, Inglaterra.

#### Synopsis

This book is an indispensable work for anyone interested in the pioneering psychoanalyst Sandor Ferenczi.

#### Description

As the supervisor of the recently published correspondence between Freud and Ferenczi, Haynal brings to the present volume an elegant scholarship sensitive to Ferenczi's time and intellectual milieu. This is not solely a study in the history of psychoanalysis, in that Haynal sets himself the aim of entering into a 'dialogue' with Ferenczi 'the founder of all relationship-based psychoanalysis and the explorer of traumatisms, counter transference and other problems present even in contemporary psychoanalysis'.

Expressed in a lucid and eloquent style, each chapter explores with an intimate incisiveness, not only Ferenczi's complex and difficult relationship with Freud, but the emergence and elaboration of original ideas anticipatory of subsequent developments within the psychoanalytic movement.

"This book is not detached from our contemporary practice and theoretical controversies. It tries to be a faithful reflection of what Ferenczi proposed for the still very present problems of psychoanalytical practice and theory".
