DETAILING PROGRAM AND ENROLLMENT.

Clinical Sándor Ferenczi Conference 2006
Psychoanalysis and Psychosomatics: Mind, Body and the Bridge
Between August 2-6, 2006
Kongresshaus. Baden-Baden, Germany
www.clinicalferenczi.info

Registrants of this conference will study the lives and works of Sándor Ferenczi and Georg Groddeck as well as the importance of their relationship. They will explore the current discourse on body and mind - and the area between the two.

Papers topics include: The role of suggestion, the current state of psychosomatics and the literary contributions to this discussion. The meeting will include an optional bus tour of Baden-Baden, an opening evening gathering, and a gala banquet on Saturday evening.
